# High-quality products crafted for global market.

Founded in 1998 by Anthony Kartawinata, Jans Food USA began with a simple idea: share beloved food traditions with new markets. What started as a small, hands-on venture has grown into a house of over 30 food brands, managing 1,200+ SKUs across multiple categories including snacks, beverages, and pantry essentials.

Over the years, we have built strong global partnerships, now managing 1,200+ SKUs across 30+ brands and 25 exclusive suppliers from 20+ countries. Our products are distributed through major retailers, food service providers, and specialty stores, serving over 5,000+ customers across the U.S. and beyond.

Driven by authenticity, innovation, and customer success, we continue to expand our reach, offering premium-quality food solutions that meet evolving market demands. As a trusted brand owner, Jans Enterprises Corp remains committed to delivering excellence in every product we create.

## Let's grow together.

At Jans Food USA, we believe the best partnerships are built on trust, shared vision, and excellent products. Whether you're a distributor, retailer, or food service partner, Jans Food USA offers product brands that are ready to perform. Let's connect and explore how we can grow together through consistency, innovation, and trusted quality.

# jans<sup>®</sup> Mixed Roots Chips

**Gluten  
FREE**  
Non-GMO<sup>®</sup>

- ✓ No Preservatives
- ✓ Peanut Free
- ✓ Wheat Free
- ✓ No Cholesterol

## Sometimes Sweet, Sometimes Savory!

Our Jans Mixed Roots Chips are a unique and deliciously healthy alternative to ordinary potato chips. Each bag of chips contains a mixture of **Purple and Orange Sweet Potatoes, Cassava, and Taro Roots**. They have twice the fiber and less fat than other potato chips. They're also gluten free, contains no trans-fat, and loaded with vitamin E. **It's NON-GMO and 100% vegan.**

## Sweeten Naturally, Why Settle for Less?

JANS Organic Coconut Sugar is a superior choice when it comes to natural sweeteners. This is superb unrefined and unbleached sugar. It has been a part of Southeast Asian culinary for hundreds of years and become popular in all cultures, mainly due to its health properties and low glycemic index.

Better alternative than processed sugar or artificial sweeteners

All Natural

- ✓ GLUTEN FREE
- ✓ NON GMO
- ✓ VEGAN FRIENDLY

Cassava flour is a gluten-free, versatile flour made from the root of the cassava plant, offering a mild flavor and soft texture, making it an excellent substitute for wheat flour in various baked goods.

Coconut sugar, derived from the sap of coconut palm trees, is a natural sweetener with a rich, caramel-like flavor and a lower glycemic index compared to regular sugar.

**JN-C20060**  
Jans Organic Coconut Sugar

**JN-C20050**  
Jans Organic Cassava Flour

Cassava flour is a versatile and nutritious alternative to wheat flour, while coconut sugar is an organic sweetener that is considered as a healthier option than refined sugars. Both are free from genetically modified organisms (GMOs) and are suitable for those with dietary restrictions such as vegan and gluten-free diets. Combining these two ingredients in recipes can result in delicious and wholesome treats that are better for you and the planet.
